Indramayu, Indonesia | Phone: 081347065525 | Email: rizafrivaldi@gmail.com | Github: rizafrivaldi | Linkedin: Nur Izha Faturrahman Rivaldi

SUMMARY

Bachelor of English Education, Yogyakarta University of Technology (2018), with experience at Fuel Terminal Jambi as TAS & ATG Supervisor and Project Controller. Skilled in operating Integra, CS-Flow, SCADA, and TMS applications for fuel distribution and stock monitoring, and experienced in managing MOV installation projects. I enjoy learning new technologies, collaborating in teams, and implementing digital solutions that improve operational efficiency. With experience in automation systems (TAS, ATG, SCADA) and project management, I am seeking opportunities to grow professionally and contribute to impactful projects in the energy and technology sectors.

EXPERIENCE

PT. Citia Engineering Indonesia (April 2024 – Present) Full Time Supervisor Automatic Tank Gauge & Terminal Automation System

- Supervised daily operations of the **Terminal Automation System** using **Integra** (web-based application) for transaction management, and **CS-Flow** (desktop) with **SCADA** for monitoring fuel distribution
- Ensured accurate recording of fuel through the **Tank Management System** (web-based) for real-time fuel stock monitoring in storage tanks
- Coordinated with operators and technicians to maintain smooth distribution.
- Monitored **Terminal Automation System** performance, analyzed throughput data, and reported on productivity and potential issues.
- Prepared daily reports on stock levels, fuel in/out flow, and terminal performance.
- Provided direction, training, and evaluation for TAS operators.
- Collaborated with IT teams for system maintenance and troubleshooting.

PT. Jasa Kita Bersama (December 2022 – April 2024) Full Time Project Controller - Project *Pengadaan dan Instalasi Motor Operated Valve Fuel Terminal Jambi*

- Controlled project execution for the procurement and installation of Actuator & Motor Operated Valves at Fuel Terminal Jambi.
- Monitored project schedules, progress, and resource allocation to ensure on-time completion in line with contract requirements.
- Coordinated with engineering, procurement, and site installation teams to maintain alignment between technical specifications and project deliverables.
- Managed documentation and reporting, including project status updates, progress reports, and compliance records.
- Identified potential risks, delays, or issues and coordinated corrective actions with stakeholders.
- Supported client communication and progress meetings to report achievements and resolve project challenges.

EDUCATION

YOGYAKARTA UNIVERSITY OF TECHNOLOGY

Bachelor of English Education Department – GPA 3.68

CERTIFICATION

- Public Speaking for Best Branding
- TOEFL Test
